OUTSTANDING SERVICE,
WORKMANSHIP AND FAIR
BUSINESS PRACTICES.

Professionalism, legendary quality and ethical business standards...Charco Construction Company offers its customers these advantages and so many more. Founded in 1966, Charco Construction's success is due in large measure to the solid leadership of owner Chuck Swimmer. Recognizing the ethical problems of many companies in the remodeling industry, chuck determined that his business would stand out from the crowd with its outstanding service, workmanship and fair business practices. Voted San Diego's best remodeling contractor by the Union Tribune for an impressive seven years in a row, Charco has been creating spectacular spaces for area homeowners for nearly four decades.
